

## VIRTUAL D<sup>e</sup>NTAL SOLUTIONS

*Your one-stop resource for smart solutions*

### **Practice Management**

As a dental practice owner, you may not have the time for day to day management of your practice. That is where our dental practice management solution comes to your rescue. Through our customized solutions, we can assist you in understanding your business better and achieving the vision you have for your dental practice. We can help you:

- » Keep your finger on the pulse of your practice with key business indicators
- » Understand expansion versus adjusting models as well as when and how to implement them
- » Handle debt
- » Set and achieve goals
- » Create effective systems
- » Decide how and when to add staff and associates or partners

*Virtual Dental Solutions ([www.e-dds.com](http://www.e-dds.com)) is a one-stop resource for smart solutions to run your dental practice more efficiently. The company's services include Financial Management, Practice Analysis, Marketing Solutions, Practice Sales or Transition Services and Office Design.*

## **Our Practice Management Solutions Include:**

- » Coaching
- » Consulting
- » Seminars and Webinars

As part of our dental consulting services, we understand and define your goals and provide you with the plans, recommendations and tools to help you manage your practice better. Our dental consulting services include everything from minimal practice analysis, virtual training modules, webinars and virtual seminars to full-service coaching. With a dental practice management consultant like us into the picture, you'll always have your finger on the pulse of your practice, whether you are a start-up, solo or group practice.

We can also help you deal with the everyday challenges you face by coaching your dental team so that they can have an increased productivity, profitability and team spirit, while realizing a greater sense of professional satisfaction. Even if you are planning on purchasing an existing dental practice, we can evaluate its growth potential and assist you in making the right decision.

Call today to get your free preliminary consultation!
